RE: CC Docket No 02-6 Waiver for USAC E-Rate Form 471 Application #191041940

Roseland Elementary School District is requesting a waiver of the E-Rate Form 471 Filing Deadline of March 27, 2019 for Form 471 #191041940 due to procedural delays encountered with local building codes impacting the re-building process and reopening of Roseland Collegiate School.

The Roseland Collegiate School campus, located at 50 Ursuline Road in Santa Rosa, California was burned during the Tubbs Fire in Sonoma County, California in October 2017. The school was relocated to a leased space to serve as a temporary school until the campus building could be rebuilt and/or restored. Initial target date for return to the 50 Ursuline Road campus location was August 2020.

County of Sonoma, Permit and Resources Management Division, which has Sonoma County building oversight responsibilities for the campus location (50 Ursuline Road) requires that any rebuilding/restoration at the campus location comply with current building codes including compliance with American's With Disabilities Act and California Environmental Regulations.

Roseland District was advised following the closure of the Form 471 Filing Deadline that due to regulatory requirements that the return to the 50 Ursuline Road campus would need delayed until July, 2021. As a result, the District has been required to extended the lease on the temporary school until the construction at the 50 Ursuline Road campus is completed and approved for occupancy.

Form 471 #191041940 requests discount funding for 1Gb circuit to provide Internet access to the temporary campus site, due to construction delays which were beyond the District's control. Roseland Elementary School District requests a waiver of the filing deadline and allow the Form 471 #191041940 application to be accepted. In making this request, the District, cites the Commission's decision Adopted July 7, 2010, Requests for Waiver and Review of Decisions of the Universal Service Administrator by Academy of Math and Science, Tucson Az.

As directed in the E-Rate Productivity Center, Roseland Elementary School District is following instructions to to submit this request for Waiver.

Sincerely,

A handwritten signature in blue ink that reads "Rich Tunheim". The signature is written in a cursive style with a long, sweeping underline.
